RE: Request for Information  
Passaic River Study Area- Diamond Alkali Superfund Site  
Your File No.: 01017.15

Dear Mr. Niklas:

I am in receipt of your letter addressed to Mr. Pat Evangelista, of the Emergency and Remedial Response Division of the United States Environmental Protection Agency (EPA).

In your letter, you state that all water runoff or discharges would be to Frank's Creek and eventually into the Hackensack River. However, Frank's Creek enters the Passaic River at Kearny, NJ. Thus, EPA renews its request that you respond to its Request for Information, copy enclosed. Your response should be postmarked or received by EPA within thirty calendar days of your receipt of this letter. Your response should be mailed to:

Mr. Richard Winfield  
Emergency and Remedial Response Division  
U.S. Environmental Protection Agency  
290 Broadway  
New York, NY 10007

with a copy to myself at the same address.

If you have any questions, you may call me at (212) 637-3106.

Sincerely,

A handwritten signature in black ink, which appears to read "Kedari Reddy", is written over the typed name.
